Our famous dish using premium breed hill lamb that only wild graze. The meat is slowly braised with fresh rosemary, garlic, tomatoes & our local Leith Distillery's finest Tawny Port wine aged in oak barrels with it's notes of cherries, plums, cassis & hint of mint. Possibly the most perfect accompaniment to mash possible..

(Gluten Free Note**)

BRAISED PORK SHANK WITH A THISTLY CROSS APPLE-CIDER SAUCE.

We use outdoor raised rare-breed Scottish pigs, from which our master butchers hand trim a work of art exclusively for us. These shanks are marinated, slow cooked overnight, & the drippings combined with our local craft cider & mustard to create the perfect sauce.

(Gluten Free Note**)

MAKARS OWN HOMEMADE BEEF-LAMB HAGGIS WITH HEATHER HONEY & TURNIP PUREE.

Makars is one of the few restaurants in the world to make their own haggis (meat & veggie). Our chefs start early morning to slow cook the meats whilst stirring in oats & spices. Using hill lamb for tradition/colour & prime Scotch beef for depth of flavour, we think it's the best in Scotland. Served with our whisky, peppercorn, wholegrain mustard & cream sauce.

(Gluten Free Note**)

CROWN OF SLOW COOKED BEEF SHOULDER WITH A RICH HORSERADISH GRAVY.

Braised until tender, this prime Aberdeen Angus certified Scotch Beef breaks apart effortlessly. The rich dark gravy is infused with horseradish for that warming satisfying glow.

(Gluten Free Note**)

BONNIE PRINCE CHARLIE, SPATCHCOCK CHICKEN IN A WHISKY, PEPPERCORN SAUCE.

Freshly roasted free-range chicken, marinated in wild garlic & Drambuie whisky that gives a wonderful honey-sweet heather flavour. This recipe has been handed down for centuries & super popular with both Makars & Royalty. We use slower reared birds that grow at a natural pace, resulting in better flavour & texture.

(Gluten Free Note**)

PLANT POWER! (£21)

MAKARS ROASTED CHESTNUT HAGGIS WITH OUR WHISKY, PEPPERCORN, CREAM SAUCE.

The song "even better than the real thing" comes to mind when eating our homemade vegan haggis. The warm flavours of the chestnuts, roasted carrots, fennel, nutmeg & spices give a big welcome flavour. We hand cook our haggi each morning using traditional methods. For the haggis purists, the mixing of spices, tree nuts, seeds, lentils & pulses is something that has happened for centuries, meat was extremely rare in Scottish cooking.

(Can be Vegan. Contains chestnuts, Gluten Free Note**.)

SMOKED LENTIL & SPICED SAUSAGE WITH A CARAMELISED ONION GRAVY.

This sausage is handmade by our chefs & was inspired from an old Stamp family recipe. We use brown lentils, buckwheat, oats, wood smoked spices & garden herbs to create a beautiful alternative that might just make you go WOW! Served with a dark caramelised onion gravy & topped with a wee dab of cranberry jelly.

(Can be Vegan, Gluten Free Note**)

OUR MUSHROOM FARM (£21)

In 2022, Makars opened a state of the art mushroom farm at Summerhall. We use a mixture of potato peelings, seaweed, cereal husks & sawdust to grow a sustainable range of speciality mushrooms. You can visit our mushroom emporium downstairs & book tours online at getyourguide.com.

LION'S MANE MUSHROOM BITES WITH A CHERRY TOMATO & WHISKY CREAM SAUCE.

We grow these highly prized mushrooms ourselves, famed for their firm meaty texture & health benefits, they are a luxury food. The mushroom is hand torn, pressed in a light marinade, then breaded & twice fried until crisp. Sat on top of a mash tower layered with roasted chestnuts & topped with rocket, making one beautiful dish. (Can be Vegan, Gluten Free Note**, Contains chestnuts,)

SUMMERHALL SPECIALITY MUSHROOM WITH A CRAFT TARRAGON CREAM SAUCE.

We grow 3 different mushroom species at our Summerhall mushroom farm (Wild Enoki, King Trumpets & Lions Mane). All are picked for rich earthy flavour & firm meaty flesh. Simply sautéed in olive oil, salt/pepper & served in a tower with a neap turnip cap. The cream sauce is infused with fresh tarragon & pepper with a herb oil splash with an umami stock. A Chief Makars favourite!
